### Easy to Re-ink

- Squeeze ink over raised letters only.
- Let it sit overnight, blot any excess ink before using.
- Refill before slab totally dried-up will help prolong stamp life-span.

### A E Refill Ink

- RM 10 each
- Cap 10cc

**Color available**  
**BLUE, BLACK, RED, PURPLE, GREEN**

Using the wrong ink can permanently damage your stamp.  
 Contact your dealer for the correct re-inking fluid.

### How to Adjust Darker or Lighter Imprint

Adjust this nut

Lighter → Darker

Indicator

Turn clockwise for **DARKER** impression until the indicator pointing at a **THICKER BAR**.

Turn anti-clockwise for **LIGHTER** impression until the indicator pointing at a **THINNER BAR**.
